*****This form must be given in writing to the GM, who may discuss it with your division coordinator prior to approval. This form must be submitted at least 4 days prior to the game.

This is simply a request form in asking for a rescheduled date. Your game currently booked will not be cancelled until there is a rescheduled one in place. If we are unable to find a suitable date to accommodate both teams the game will be classified as a forfeit.

You will be allowed to reschedule with the same team only once.

If you are playing another Melfort team, both teams must agree to the change with the GM.

If you end up playing a cancelled game out of town, MMHA will not pay for the cost of the ice and officials.

When games are cancelled/changed it affects the ice costs, availability of ice, ref costs, rink staffing, etc...

Please advise your hosted teams that may want to change/cancel your game of these guidelines.
